ABOUT ME

Hello, I'm Jeffry. Enthusiastic and self-taught Frontend Developer with a strong foundation in HTML, CSS, and JavaScript. Seeking a junior position where I can apply my skills to contribute to exciting projects, grow as a developer, and collaborate in a remote environment. Passionate about responsive design, web performance, and continuously learning modern development tools.

EDUCATION

While I do not have formal education in web development, I have completed several online videos and self-directed learning through coding platforms and project-based work. I am committed to continuous learning and staying up-to-date with modern web development practices.
